## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Honorable J. C. Watkins,

Sir:

I have the honor to acknowledge receipt of your letter of November 1, 1909, in which you make inquiry relative to the application of Sarah Washington for participation in the Eastern Cherokee fund.

In reply you are advised that Sarah Washington's claim has been reported by me as rejected, and she was so notified on June 18, 1909.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

Sarah Washington's application was rejected because she failed to bring herself within these requirements.

Very respectfully,

Special Commissioner.

Madam:-

In reply to your letter and again referring to your application #4233, I wish to ask you the following questions:

Do you know the addresses of any witnesses who knew your grandfather on your mother's side? If so, please furnish this office with said addresses. Where was your said grandparent residing in 1851, and by what name was he known?

I notice that you state that your mother and her brother were adopted by an Englishman by the name of Neill, and that they were given the name of Neill. Was your grandmother on your mother's side a White woman or a Negress? Was she ever held as a slave by the Cherokee Indians and was your mother ever held as a slave by Cherokee Indians or by the Englishman by the name of Neill?

Sir:

Your letter of October 10, 1909, addressed to the U. S. Indian Agent, at Muskogee, Oklahoma, has been forwarded to this office for reply.

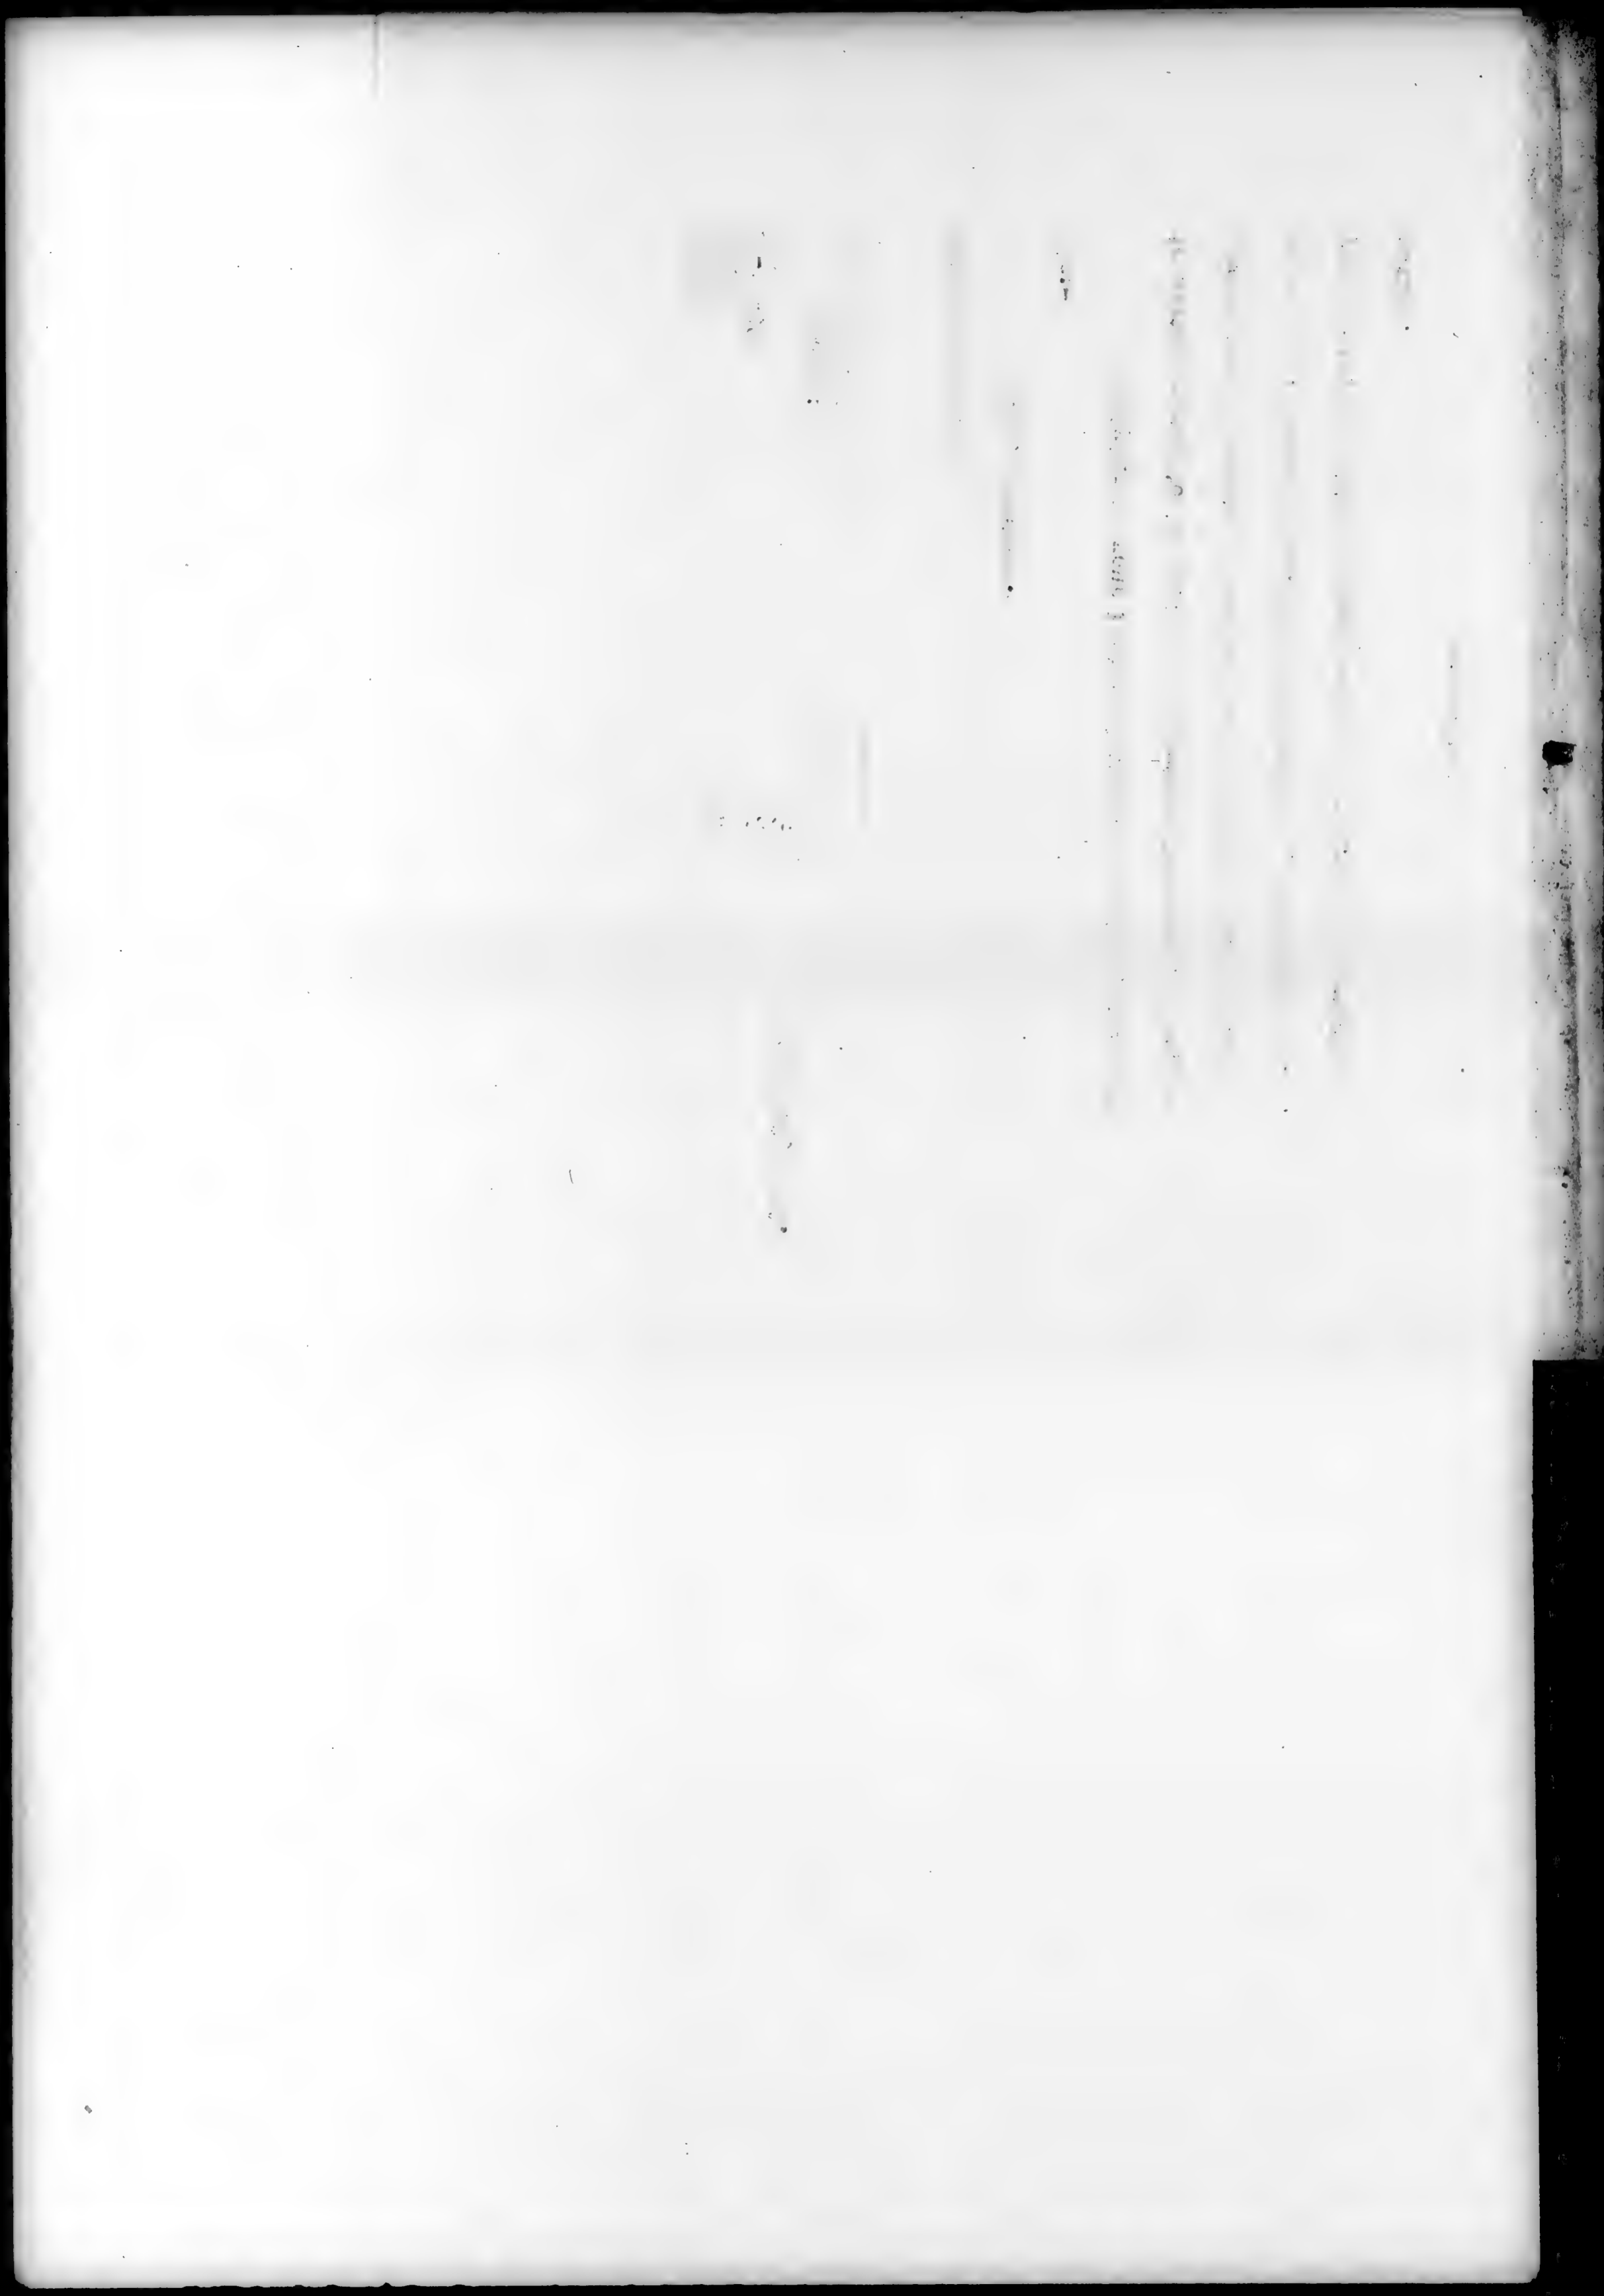

You are advised that it is impossible for me at this time to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on and the roll finally approved by the Court no money can be paid.

You should keep this office advised of any change in your address.

Dear Indian Miller  
Several commissions  
to my testimony to

mistake and said  
Sarah instead of Beards  
Beards. I do not  
you think best about  
it. I do not know whether  
you can really get about

When my papers were  
brought back to me  
at Carlisle, they must  
have made a mistake  
for when I got home  
I found enclosed with  
my papers a letter  
I had written you  
firmly, and I  
will enclose it with  
this in case it was  
a mistake, you'll  
have it, and if you  
need it

Appl. #4249

Lula White being first duly sworn, deposes and says:  
My name is Lula White. I live at Joplin, Mo.  
I was born in Sheridan Co., in 1869. I claim through my father,  
and his name was Robert Richardson. He was born in Tenn. in  
the Eastern part. He died in 1888 and was about 40 years old  
when he died. He claims through his mother. Her maiden name was  
Sarah Beardon. She was born in Tenn. I don't know when. I  
don't know when my father left Tenn. He came to Mo. when he  
left Tenn. My grandmother came with him. ~~My grandmother~~  
~~xxxx~~ I don't know whether my grandmother lived with the Indians  
or white people in Tenn. I don't know whether she ever lived  
with the tribe as a member of the tribe. My grandmother  
as I know of was never enrolled. My grandmother never got  
any land in Okla. My father spoke of the Treaty of 1835. I  
don't remember anything he said. I never heard him say any-  
thing about the enrollment of 1851. I think my father and  
grandmother came from Tenn. of their own accord. I do not  
remember whether that was before or after 1851.

Sir:-

Replying to your letter of August 24, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund, or how much each successful claimant will receive.

As there are already over 35,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

Thos. C. Carter being first duly sworn, deposes and says:

That I am 51 years of age. I claim my Indian descent through both parents. I don't know whether either of my parents were on my rolls or not. I never heard they ever received anything from the government. Don't know when my father was born. He died after the war, a year or so. He was something like 20 or 25 years of age when he died. My mother died about five years ago and was about 60 years of age. My father was born in Ga. what was once N. Macon Co., N. C. I think my mother was born in Macon Co., N. C. My mother lived in Haywood, Jackson and Macon Counties, N. C. until she went to Tenn. and that was a year before the war. I have heard my mother say that she and my father had lived among the Indians in Swain Co., N. C. near Soco or Yellow Hill. They lived there before the war. I don't know whether my mother and father were married in 1851. My father claimed to be 1/4 Cherokee and my mother claimed the same. They were first cousins. My mother was married a second time a year before the war. My father went off somewhere down in Ga. and my mother then married Bill Mitchell. Don't know whether my parents were married by Indian or civil marriage. My father had some brothers and sisters but don't know their names. Solomon Gibson, John Creighton Gibson (died in the war), Elias Gibson (died in the war) were my mother's brothers. My mother had no sisters. None of my mother's brothers ever sent her. If there is such a man by the name of David Carter, I don't know him. My ~~own~~ parents had Indian names, I think, but I don't remember them. Don't know who Adeline Carter is. Never heard of a government man named Hester. My father's father was the Indian; his mother (my father's mother) was white. My father's father died after the war, I think. My mother's mother claimed Indian. She was Morning Carter before marriage. She married Gibson. She was a sister to my grandfather Nelson Carter. My wife is a white woman. My parents nor grandparents never received any money. I have heard that my uncle Tom Carter received money.

Dear Sir: I have

I would have felt  
myself obliged to  
this time. I am  
working hard and  
will be glad to  
that I can do  
the same for the  
people of this  
territory. I am

was done by the  
Shrokers who were  
in the Emigrant race

that they were not  
'all miners' leaving  
the Shrokers to believe  
that they were not  
protected in a position

Now as the court  
acquired them to  
Shrokers to the best of  
their knowledge in  
order to assist the  
court in looking  
upon the same and  
found the same should  
be returned to the

 the said wills and  
 the same was  
 affirmed by

 a contracting man

 my father in law  
 had a claim on the  
 estate payment and  
 also not some of  
 nearest living heirs  
 the right of protection

 law is in favor of  
 the claim by Henry May

 to the matter that  
 the court has

I just have understood  
the contents of the said  
letter if I had under-

said letter I would have  
filed my objection be-

looking over the said  
letter I found that  
I had no opportunity

to comply with my

and as Chokee was  
represented in the capita  
payment by the magistrates  
and now in regard  
to the notice that  
has been sent through  
out the country into  
against the funds -  
I have been  
informed of it and to the  
best of my knowledge  
have not been directed  
to file an objection

Madam:

Replying to your letter of March 14, 1910, you are advised that your brother William Foreman was not enrolled with you for the reason that it does not appear that he ever filed an application, and the fact that you mentioned him in your application as your brother would not be sufficient for his application.

It is now too late for him to file a claim as the matter has been entirely closed.

The receipt card you inclosed is returned to you, herewith. This receipt is for your application and not your brother's application, as stated in your letter.

Very respectfully,

Special Commissioner.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

I am about 52 to 54 years of age. Both of my parents were immigrants and living in Ill. My mother was just a child then. My father must have been nearly grown as he was 8 years old when they started from the Old Nation in '36 or '37 with the big bunch. His Indian name was Ah-da-luh-ac-to-yuh, which means Treasure. My father's father was named Jim Downing and Jim Blanket and his Indian name Co-pa-guh-hah. My father has a full brother living by the name of Jack Downing. He lives at Soyil. His father was older than Jack. \*\* See Ser. 500. My mother's name was Cha-wa-you-cuh. Jan-lee-sih, which means Carrier or carrying something on the back. Her father's name was also Duh-lee-sih and her mother's name was Sallie but she died before the payment. Think my grandfather was then living with a woman by the name of Sah-wa-che. See Tabl 516. Sir:

Replying to your letter of August 17, 1909, you are advised that Casa May Henson is enrolled with her father, Sixkiller Henson.

In reply to your further inquiry you are advised that only those living on May 28, 1906, are entitled to share in the Eastern Cherokee fund, and it would therefore be useless for you to file a claim for your child that died in 1900.

Very respectfully,

Madam:-

Relative to your application #4303, in which you claim a share of the money appropriated for the Eastern Cherokee Indians, will state that the name of your father, Joe Ridge, does not appear upon the roll of 1851. Neither does the name of your mother, Katie Ridge, or the name of your grandfather, Jen-hic-lor, appear upon said roll of 1851. In fact, none of the names you have furnished this office, including those of your grandmother and one aunt, appear upon the roll of 1851. Will you please furnish this office with definite information as to why your father, Joe Ridge, if he was alive in 1851 was not enrolled? What was your mother's name before marriage, and the names of her parents? Where were they living, and where were they enrolled if living? Under what names were they enrolled? Was your mother enrolled from the same district as her parents, or was she married to your father in 1851? Kindly answer all of these questions as fully as possible, and oblige,

Very respectfully,

Special Commissioner.

Polly Kingfisher, being duly sworn, deposes and says:)

My name is Polly Kingfisher. I was born in Delaware in 1851. I am a full-blood Cherokee. I was enrolled by the Dawes Commission under the name of Polly Kingfisher, # 14338, and received my allotment of land. I was enrolled in 1851 in Delaware District ~~Wah-lah-lik~~ under the name of Wah-lah-lik with my mother, Wah-lah-yah. My father and my father's parents were Old Settlers. I make no claim in my application on my father's side. I make my claim thru my mother. My mother took the name of my step-father whose name was Longknife. My mother may have been enrolled under the name of Mariah Longknife. ( See 143 Del ) My father and mother did not live together in 1851. I was born at the time the Census takers were in the neighborhood and I was told that I was enrolled.

My mother Mariah Longknife was born in the Old Nation and came to the Indian Territory during the time of the Emigration. Neither I nor my mother never received any Old Settler money. Both I and my ancestors have always been with the Cherokee tribe. The parents of my mother were not living in 1851.

I was enrolled and drew the Strip Payment in 1894.

Polly Kingfisher,

Locust Grove, Okla.

Madam:-

Relative to your application #4304 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you were born in 1849 in the Saline District, Cherokee Nation. Why were you not enrolled in 1851, and if you were enrolled under any other name, please state under what name you were enrolled. The name of your father, Wesley Dennis, or Gen-li-oh-wah, does not appear upon the roll of 1851. Why? The name of your mother you simply give as Maria. Will you please furnish this office with the names of your mother, both Indian and English. Also with the names of your mother's father and mother, both English and Indian. Under what was your mother enrolled in 1851, and where was she living at that time? Are your grandparents on either your father's or mother's side "Old Settlers"?

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

Lizzie Kingfisher,

Locust Grove, Okla.

Madam:-

Relative to your application #4307 for share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through your father, John Koller, and simply give the name of Lizzie as your mother's name. The name of John Koller does not appear upon the roll of 1851, and, not having the names of your grandparents on both your father's and mother's side, I am unable to trace your relationship. Please furnish this office with all the information you have at your command, giving the names of your father and mother, both English and Indian. Under what names were they enrolled in 1851, if they were enrolled? You will also have to furnish this office with the names of your grandparents on both your mother's and father's side, and state in what district your parents and grandparents were enrolled, and under what names they were enrolled.

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

Madam:-

Relative to your application #4308 for share of the money appropriated for the Eastern Cherokee Indians, you state that you claim through your grandfather, Car-no-la, and your grandmother, Wal-lee-lah, and through your mother, Car-no-la. None of the names as you have given them appear upon the rolls of 1851. You state that you do not know the name of your father. Will you please confer with your relations, if you have any, and find out the name, or names, of your father? Please give both Indian and English names, and state where he was living in 1851, and, if he was living, where was he enrolled in 1851? Also find out the names of his father and mother, and whether they were enrolled in 1851 and from where? What English name did your mother bear? Was she living in 1851? If so, in what District? Your prompt reply will be appreciated.

Relative to your application #4312 for a share of the money appropriated for the Eastern Cherokee Indians, you claim as your father David G. McCrackin, your grandfather, John McCracken, and your grandmother, Alcie McCrackin, nee Alcie Bowman, whom you claim was a full-blood Cherokee Indian. I have an application on file in this office filed by Ella Nora Dodson, and have been communicating with her in order to get some definite information regarding the said Alcie Bowman, but, as yet, have been unable to trace the said Alcie Bowman-- that is, get definite information that she was a full-blood Cherokee Indian. If you have any information or knowledge at your command, it will be greatly appreciated by this office if you will furnish us with same. Any memoranda, affidavits, or any evidence at all which you may have as to Alcie Bowman's Indian blood, will aid us in tracing your claim, if you will kindly furnish same. We also have an application from another member of the McCrackin family who claims Madison McCrackin as his father. In your application you do not mention Madison McCrackin as one of the children of John McCrackin. Will you kindly tell me what relation, if any, he bears to your

Mary A. Sullivan being first duly sworn deposes and says:

I am 50 years of age, and have lived in Ashe County most of my life. I was born here. I claim Eastern Cherokee blood through my mother, Louisa Baldwin, who is now living in Grayson County, Va., and is about 77 years of age. She was born and raised there. She says she had Indian blood which came through her father, Billie Baldwin. He was born in Grayson County, Va., and raised near One Knob, N.C., I reckon. William J. (Billie) Baldwin was the son of Catherine Hart, the daughter of Ned Sizemore. They never told me where Ned Sizemore lived or died that I know. I first heard of this about 10 or 20 years ago. At that time, Mullan, or one of his agents, came through and I moved up there. He said it was for money, or land, I reckon, and I moved up my tin. He never wrote back to me, but it seems that he was writing back to some of the country people. I applied for land in the Indian Territory, but I never heard whether it was disallowed or not. I do not remember hearing my mother say that she had seen Ned Sizemore or any of his children. My mother never received any money from the Government on account of her Indian blood.
